

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

# Webster's International Dictionary

A complete and thorough revision of the well-known Unabridged, the purpose of which has been not display nor the provision of material for boastful and showy advertisement, but the due, judicious, scholarly, thorough perfecting of a work which in all the stages of its growth has obtained in an equal degree the favor and confidence of

scholars and of the general public.

The International has been warmly commended by members of the United States Supreme Court, by all the State Supreme Courts, by all State Superintendents of Schools, and by eminent authors and educators almost without number. It is recognized as the standard authority by the U. S. Government Printing Office and is the standard to which nearly all schoolbooks adhere.

## REASONS WHY IT IS CONSIDERED THE BEST FOR PRACTICAL USE.

- BECAUSE words are given in their correct alphabetical places, each one beginning a paragraph.
- BECAUSE the pronunciation is indicated by the ordinary diacritically marked letters used in the schoolbooks.
- BECAUSE the etymologies are full, and the different meanings are given in the order of their development.
- BECAUSE the definitions are clear, explicit, and full, and each is contained in a separate paragraph.

THE ONE GREAT STANDARD AUTHORITY,  
So writes Hon. D. J. Brewer, Justice United States  
Supreme Court, who Voices the General Sentiment.
